- 6 x 32A
- 12 x 16A

Tungsten dimmer packs and DMX

Cabling and splitters for all outputs including splitters for 3ph and Y connectors for 32A and 16A are available, all are shared between stages, thus any lighting plans should be shared with the studio tech ahead of the shoot to avoid delays or disappointment

If you hire our gaffer and/or electrical team, the full list is available at discount rates.

This list is for reference only (including the rates above). Please use this as a picking list to allow us to quote. If you have a fixed budget let us know and we'll try to make it work for you with as much of our available kit and crew as possible.
